

□□□ Astazi este o zi istorica pentru Europa si pentru restul lumii : iese sau nu Marea Britanie din UE ?

□ Astazi cetatenii Marii Britanii voteaza daca mai vor , sau nu , sa fie in UE.
□ Daca Marea Britanie iese din Uniunea Europeana , Uniunea Europeana nu isi pierde rolul pentru care a fost facuta ?
□ Daca Marea Britanie iese din Uniunea Europeana ,va mai exista Uniunea Europeana ?

□ Dincolo de teorie , trebuie sa ne punem intrebarea : Pentru Romania va fi mai bine fara Marea Britanie in UE ?

Pentru Romania cum va fi daca Uniunea Europeana se va desfiinta ?

Iata ce scrie CNN pe aceasta tema :

Voters headed to the polls Thursday in a [historic referendum](#) on the [United Kingdom's future membership](#) in the European Union.

A record number of people -- almost 46.5 million -- are registered to take part in the once-in-a-generation vote. The registered voters include Britons from England, Wales, Scotland, Northern Ireland and Gibraltar -- a British territory off the southern coast of Spain.

The question they've been pondering for months:

[Should the United Kingdom remain](#)

a member of the European Union or leave the European Union?

British citizens over age 18, along with Irish and Commonwealth citizens living in the UK,

[are expected to deliver their verdict](#)

at the ballot box Thursday. British citizens living abroad have already cast their votes by mail.

[EU referendum: What does it mean to you?](#)

Polling stations across the UK opened at 7 a.m. local time (2 a.m. ET) and will close at 10 p.m. (5 p.m. ET), with the first results expected about midnight (7 p.m. ET).

[Key players in the referendum](#)

The final, nationwide result is expected to be announced Friday morning.

The UK has been a member of the European Union (and its precursors) since 1973.

[A non-Brit's guide to the vote](#)

European citizens living in the UK are not eligible to vote unless they're from Malta or Cyprus, which are both members of the Commonwealth. Members of Britain's House of Lords are eligible to vote -- even if they cannot cast ballots in general elections.
