

NOKIA
Connecting People

A total of 5 524 901 Nokia shares (NOKIA) held by the company were today transferred without consideration to participants of Nokia's equity-based incentive plans as settlement in accordance with the rules of the plans. The transfer is based on the resolution of the Board of Directors to issue shares held by the company to settle its commitments to the participants of the plans as announced on January 31, 2019.

■ ■ The number of own shares held by Nokia Corporation following the transfer is 25 799 404.

■ ■ ■ About Nokia

We create the technology to connect the world. We develop and deliver the industry's only end-to-end portfolio of network equipment, software, services and licensing that is available

globally. Our customers include communications service providers whose combined networks support 5.7 billion subscriptions, as well as enterprises in the private and public sector that use our network portfolio to increase productivity and enrich lives.

Through our research teams, including the world-renowned Nokia Bell Labs, we are leading the world to adopt end-to-end 5G networks that are faster, more secure and capable of revolutionizing lives, economies and societies. Nokia adheres to the highest ethical business standards as we create technology with social purpose, quality and integrity.
