Eljaish Sports Club was officially established in 2011 as to announce a new era from the journey of sports to become the most developed and modern sports club ever established in the State of Qatar and the region.

Eljaish Sports Club vision is centered on the establishment of highly strong sports teams to compete with the most prestigious local, regional and international clubs teams. Therefore, this vision will be only achieved by opening the clubs doors for the sports lovers in Qatar as the favorite destination to practice all kinds of sports and a unique model in educating future sports generations capable of excelling in the various local and international sports events.

Eljaish Sports Club adopts the best international practice standards in employing its capacities

to form sports teams on the basis of a sound health and ethical approach so as to be an inspiration for future generations in Qatar and to be consistent in its content and objectives with the values and principles of the World clubs .

More efforts were made in the establishment of this club to build a strong sports basis for all age groups teams in football, basketball, handball, volleyball and table tennis in addition to athletics. Hence the club management was keen to form administrative and training groups for each kind of sports to consist of the elite sports experts in order to supervise the development of the athletes' individual skills and the group playing tactics each in the corresponding field.

It is noteworthy that the preparation months that preceded the club's establishment witnessed a great number of achievements, the most prominent of which was the winning of the handball team in the third rank in Asian Clubs Championship and the winning of the athletics teams in the first rank locally.
