The **Romanian-American University** was founded in 1991 by **Professor Ion Smedescu, Ph.D** ., with the purpose of **promoting the American progressive educational values combined with the rich internationally recognized academic traditions of the Romanian educational system** .

The founder succeed in bringing to Romania the US higher education principles that have as support the general model the American society: the efficient organization of the activity, the sense of duty, cultivation of the working spirit, self-respect and respect for the others, honest spirit of competition, challenge the others and yourself.

Conceived as an alternative and complementary form to the public higher education, the University has **6 Schools in its structure: 5 teaching Economics and one Law.**

Within the context of the university reform and of Romania's integration process in the European Union, the introduction of the European dimension, matching curricula, the compliance with the European standards, promotion of the academic performance

internationally recognized criteria, the inter-university cooperation, academic mobility and the recognition of studies and diplomas are among the strategic objectives of the Romanian-American University.

Due to the reform imposed by the Bologna Process, the University pursued the increasing compatibility of its educational offer with that of the European education and has also achieved, through its actions, the opening of an integrated education system (bachelor – master – Ph.D.).

Through its accomplishments, **the Romanian-American University has consolidated its position in the Romanian educational system**, and its activity has achieved new standards, necessary in the context of a harsh competition on the highly qualified labor market of the European Union and all over the world. By pursuing its mission and goals, the university succeeded in developing and consolidating a good reputation among Romanian and international companies.

The **Romanian-American University** received the „**High Confidence Rating**” certification (the best of all possible distinctions) from the Romanian Agency for Quality Assurance in Higher Education (ARACIS), which is a full member of the European Association for Quality Assurance in Higher Education (ENQA) and is registered in the European Quality Assurance Register for Higher Education – EQAR.

The University and all our academic programs are **fully accredited** by the Romanian Agency for Quality Assurance in Higher Education (**ARACIS**

), and the degree granted is Internationally recognized.

The **Romanian-American University** is “**The Best Private University in Romania**” according to the independent “University Ranking” survey by Kienbaum Management Consultants in collaboration with “Capital” business magazine.

The Romanian-American University CAMPUS is imposing due to its size, architecture, construction technology, features, functionality, and it is also the laboratory training of professional values and character of RAU students.

, nota de la atestat sau echivalenta reprezentand nota pentru testul-grila scris;
 - Absolventii de liceu cu diploma de bacalaureat care au obtinut **media 10 la examenul de bacalaureat, premii I, II, III, mentiuni sau premii speciale la olimpiadele scolare**

nationale si/sau internationale recunoscute de Ministerul Educatiei Nationale, precum si licentiatii institutiilor de invatamant superior acreditate/autorizate

care doresc sa urmeze a doua facultate, sunt admisi fara sustinerea concursului de admitere. Olimpicii internationali si cei care au obtinut media 10 (zece) la examenul de bacalaureat sunt declarati admisi cu media 10 (zece). Cei care au obtinut premii sau mentiuni la olimpiadele scolare nationale pot fi admisi, avand echivalata cu 10 (zece) nota la testul-grila. Absolventii cu diploma de licenta care se inscriu la a doua facultate pot fi admisi pe baza echivalarii mediei de admitere cu media generala a anilor de studii universitare de licenta;

– Absolventii de liceu care nu se regasesc in cadrul oricarora dintre cele doua conditii de mai sus, sustin *test-grila scris, la una dintre disciplinele de concurs, cu luarea in calcul a rezultatului testului-grila scris (50%) si a mediei de bacalaureat (50%)* .

Discipline de concurs (se alege numai

una dintre acestea, direct la momentul concursului

): Economie, Geografie, Istoria Romanilor, Limba si literatura romana, Limba engleza, Informatica, Fizica, Algebra si analiza matematica. Nota minima la testul-grila scris este 5 (cinci);

– NUMAI PENTRU CANDIDATII la Facultatea de Educatie Fizica, Sport si Kinetoterapie: Inscrierea la concursul de admitere, la oricare dintre specializarile din cadrul acestei facultati, consta in sustinerea unei **probe de aptitudini motrice (traseu aplicativ)** contracronometru. Candidatii trebuie sa fie prezenti la data si ora inceperii concursului de admitere in campusul universitatii pentru sustinerea probei (21 iulie 2019, ora 10:00). Media finala a concursului de admitere se calculeaza ca medie aritmetica intre nota la proba de aptitudini motrice si cea de la bacalaureat. Nota minima la proba de aptitudini motrice este 5 (cinci). Sportivii de performanta care prezinta o adeverinta semnata si inregistrata, emisa de federatia de specialitate, prin care se atesta aceasta calitate, precum si candidatii care au obtinut locurile I – III la Campionatele Nationale (pe ramura de Sport), au echivalata cu 10 (zece) proba de aptitudini motrice.
