

▯ Felicitări pentru Ashley ▯ Kaltwasser IFBB Bikini PRO ▯ !▯

În această seară, 2013 scena Olympia a fost foarte strălucitoare și plină de farmec, care este dat de divizia de bikini.

Cu nume mari, cum ar fi Nagrani și Baird în concurs , concurența a fost foarte intensă.

Printre rândurile de femei superbe, Ashley Kaltwasser a crescut la partea de sus!

O nouă față în divizia ei, Ashley a devenit profesionista în 2012,dar, în afară de un finalist loc X în acest an , ea a ocupat primul sau al doilea loc în ultimele sale șase competiții.

Ashley se potrivește divizia bikini la o tee - si in seara asta a fost amplu răsplătită !

Here's how the top six fell into place:

1. Ashley Kaltwasser
2. Yeshaira Robles
3. Stacey Alexander
4. Nathalia Melo
5. India Paulino
6. Amanda Latona

New Yorker Yeshaira Robles came in second. Since her ninth-place finish at the 2012 Olympia, Yeshaira has been on a roll. She earned fourth at the 2013 Arnold Classic and won the New York Pro. Stacey Alexander took third, a gigantic leap from that dreaded 16th spot she was in last year. Stacey may not have been on your radar, but she brought that curvy, fit physique the bikini judges love.

Fourth place went to Nathalia Melo. She looked incredible, but was probably a little too hard for a top-three spot. India Paulino earned fifth place and crowd-favorite Amanda Latona jumped

up a spot and came in sixth.

The ever-expanding talent pool makes the Bikini Olympia fun to watch. Nobody has ever won this contest twice in a row. Before we worry about next year, though, we'll let the competitors enjoy tonight's success.
